DESCRIPTION/OPTIONS: If you're looking for subtle... keep walking. The 2014 Mustang GT Premium wasn't built to whisper it was engineered to roar. With its legendary 5.0L Coyote V8 under the hood this beast unleashes the kind of power that turns empty stretches of pavement into personal playgrounds. And paired with a Hurst Vertigate manual transmission, you get the raw, hands-on control every true enthusiast craves. Every shift is a reminder that you are part of the machine. Inside, the GT Premium brings muscle with manners. Slide into the leather sport seats, grip the shifter, and settle into a cockpit designed around the driver. Premium finishes, intuitive controls, and performance-focused gauges surround you with that "ready to run" energy the moment you fire it up. Drop the hammer and the exhaust delivers that unmistakable Mustang soundtrack deep, raw, and unapologetically American.
