**DESCRIPTION/OPTIONS:** Get ready to leave pavement in your dust with the 2022 Chevrolet Colorado ZR2 a midsize truck built for big-time adventure. The Chevrolet Colorado ZR2 isn't your average pickup it's factory-born for the wild. With its lifted off-road suspension, front and rear electronic locking differentials, and aggressive stance, this truck doesn't just handle rough terrain... it hunts it down. Rocks, mud, sand, steep climbs consider them handled. Under the hood, power meets precision, giving you the muscle to crawl over obstacles and the confidence to open it up on desert backroads. Multimatic DSSV™ dampers soak up the bumps while skid plates protect what matters most. It's engineered to take hits and keep moving forward. Inside, adventure meets comfort. Supportive seats keep you planted when the trail gets technical, while modern tech keeps you connected when you're miles from civilization. A touchscreen infotainment system with smartphone integration, premium audio, and available navigation means you can chart your own course and soundtrack it too.
